

REDISCOVERING „NEW EUROPE“: ON-WHEELS SUMMER SCHOOL FOR BALKAN/CENTRAL AND EASTERN EUROPE TRANSBORDER HISTORY AND POLITICS

Are you interested in:

- Balkan/Central and Eastern Europe trans-border history?
- organizing and conducting on-wheels schools in Balkan and CEE history to overcome the existing stereotypes and prejudice in the students in this regard?
- in knowing more on successful pedagogical interaction & motivation of new way of thinking among your students regarding Balkan and CEE history?

If **yes**, then our project “ReNewEurope – Rediscovering „NewEurope” – On-Wheels summer school for Balkan/Central and Eastern Europe trans-border history and politics” is **designed** specifically for **YOU!!!**

The main objective of ReNewEurope is to develop an innovative, holistic and integral approach for training of university professors, assistant professors, researchers, and scholars to conduct educational process in the field of Balkan's and CEE studies through on-wheels summer school focused on four main fields:

(i)
Minorities
and
majorities

(ii) Rule of
law and
European
integration

(iii) Identity
and
nationalism

(iv) Politics
and religion

The Project ReNewEurope intends to develop and produce the following outputs:

- **ReNewEurope Training kit** will provide the resources to the higher education teaching staff to organize On-wheels summer school for CEE trans-border history and politics.
- **Manual for academic staff** will develop personal & professional competencies of the higher education teaching staff in techniques how to work, teach and study Balkan trans-border history and politics as well as to overcome the stereotypes and prejudices.
- **Guidebook on the ReNewEurope concept** will provide guidelines on the process of ReNewEurope methodology implementation.

OTHER PLANNED ACTIVITIES

- Dissemination seminars and promotional conferences in all partner countries
- Final conference in Warsaw, Poland

THE PARTNERSHIP
