Rediscovering „NewEurope": On-Wheels summer school for Balkan/Central and Eastern Europe trans-border history and politics

Erasmus+

UNIVERSITY OF WARSAW   Transilvania University of Brasov   Sveučilište u Zagrebu University of Zagreb   University of BELGRADE

ReNewEurope aims to develop an innovative, holistic and integral approach for training of university professors, assistant professors, researchers and scholars to conduct educational process in the field of Balkan's and CEE studies through on-wheels summer school focused on four main fields:

(i) Minorities and majorities
(ii) Rule of law and European integration
(iii) Identity and nationalism
(iv) Politics and religion

Intellectual outputs

IO1 **Methodological framework** describes the methodology and practical organization of teaching on Balkan's trans-border history and politics.
